ABOUT GLM

Who We Are

Green Living Movement (GLM) is a leading environmental and community development organization that has been empowering rural communities across Zambia since 2000. As part of the international GLM Global network, we champion sustainable development through community-driven initiatives that protect the environment while improving livelihoods.

What We Do

- Sustainable Land Management & Agroecology promotion
- Climate Change Adaptation & Mitigation
- Community-Based Enterprise Development
- Capacity Building & Leadership Development
- Environmental Conservation & Restoration
- Livestock production
- Policy Advocacy
- Policy Advocacy & Community Rights

ABOUT GLM

The Genesis

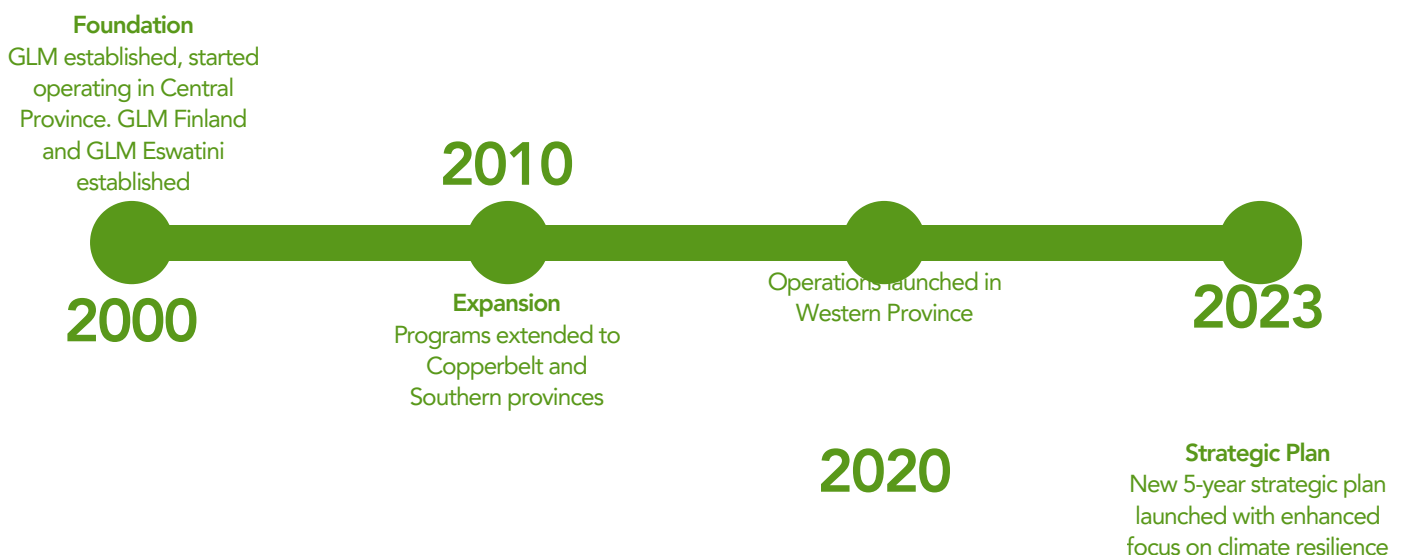

Founded in 2000, GLM began working in Serenje District, Central Province as a grassroots initiative to address environmental degradation and rural poverty. Over 25 years, we have grown from a single-district operation to a multi-provincial organization, expanding our footprint across Central, Copperbelt, Southern, and Western provinces.
